

Our School

flyingonline.biz is an approved Recreational Aviation Australia (RA-Aus) Flight Training Facility. Our aim is to provide a professional, relaxed atmosphere in which to learn as well as have fun, providing a casual meeting place for our students and pilots. We cater for both the young and young at heart and tailor flight training to suit your lifestyle, budget and ability. Our instructors are here to teach and share their knowledge and passion of flying. We understand adult learning principles, so no matter how old or young you are we can help you with your journey including the theory exams.
